This is a trip of a lifetime! Beautiful, safe, friendly and no where in the world can it be duplicated!

September 22-October 3, 2022

Day 1/2 - Depart for Nairobi from the Pacific Northwest via Paris. We will lose a day as we journey to the Equator. Arrive Nairobi – Your guide will meet you before check-in at the **Panari Hotel for a two night stay** as your adventure begins. This luxury hotel is beautiful and you will enjoy the special amenities! B

Day 3 – Our special jeeps arrive to set off for a city tour and National Park (the only city in the world that has a national park in the city limits) plus Karen Blixen House (author of Out of Africa). Stop at the National Museum, lunch at the Vogue Cafe and learn of this magnificent country before setting off to visit the Giraffe Center. Did you ever feed a 17 foot tall animal – you will today! Dine tonight at Carnivore with a luxurious meal and taste some of the exotic offerings of Kenya. B, L, D

Day 4 – Depart for Masai Mara. Visit the famous Masai warriors in their homeland. These colorful families will welcome and entertain you in their native garb and cultural offerings. Overnight at Sekenai Mara tent camp in a quiet setting that features pools and a spa, a great restaurant and a very comfortable private tent home for each of you, complete with full modern bath. B, L, D

Day 5 – Enjoy a day with a game drive to see wonderful animals on the Savannah grasslands plain. Relax during the afternoon beside the pool or spa, before a second game drive and a delicious dinner this evening. B, L, D

Day 6 - Depart for Amboselli National Park today. You may be surrounded by herds of water buffalo, perhaps a pride of lions, cheetah, wildebeest, giraffe, zebra, lions, or much more as you travel adjacent to the Serengeti plain. Check into the **Sentrim Amboselli** with a view of Mount Kilimanjaro! B, L, D

Day 7 – Another day at Amboselli with time to take in thousands of Flamingoes, hippos and a crocodile or two or maybe much more. A special program is included with the Maasai village plus special activities and a romantic Sundowner to look forward to. B, L, D

Day 8– We head for **Nguntuni** today where our hotel is located at the edge of a huge watering hole, complete with many elephants. We call them the “reddies” as they cool themselves with red dirt during the day. There is time to relax and take a swim in the pool before dinner as well. This hotel is a highlight! B, L, D

Day 9 – Our last gameday hunt as we search the plain for more animals before relaxing this evening at the fabulous buffet. B, L, D
